Pricing

- Photo restoration starts at \$48 per photograph. The final quote price depends on the photograph's condition, the level of restoration required and any additional services requested, such as colorization, extensive reconstruction or expedited delivery.
- You will receive the applicable pricing quote to confirm before payment.
- No additional work or charges will be added without your approval.
- All prices are listed in US dollars (USD).

When Is Payment Due?

- Payment is due after a request quote is reviewed by me, then order price is confirmed by you, unless another arrangement has been agreed upon in writing.
- Work begins once payment has been confirmed and all required photographs, reference materials and instructions have been received.
- If I determine that your photograph requires work beyond the original scope, I will discuss the additional cost with you and obtain your approval before proceeding.

Accepted Payment Methods

- Payments are processed through the payment options displayed online. These may include major credit and debit cards, depending on availability.
- Payments are processed securely through Stripe or the payment provider identified at checkout. Revival Images does not store your full payment card details.
- Your payment information is handled in accordance with the payment provider's applicable security and privacy practices.

- The consultation fee is \$48. If you place a qualifying restoration order totaling more than \$300, the full \$48 consultation fee will be refunded.

Cancellations and Refunds

- If you cancel before restoration work begins, you are eligible for a full refund, subject to applicable law and the published Refund, **Revision & Delivery Policy**.
- Once work has begun, refund eligibility depends on the circumstances and the terms of your order. If I determine that I cannot reasonably complete the agreed restoration, I may cancel the affected work and refund the amount paid for that photograph.
- For full details, please review the [Service Agreement & Policies](#) before purchasing.
